## Restaurant

Dear friends, guests and customers:

In a light of recent developments and mandatory closure for all dine-in restaurants and bars, and in attempt to keep as many staff members still employed, and support our local community to the best of our ability, we want to share the status of Truffles Restaurant and Butchery and our intent in the upcoming weeks:

As of Friday March 20, 2020, 11AM, Truffles Restaurant will switch its operations to TAKE-OUT only. We will offer a FULL menu from Truffles dining room and FULL bar menu for take-out or curbside pick-up. In addition, as we do possess retail liquor license, we will continue to offer our full wine list, beers and spirits for pick-up. The wine list and liquor (by the bottle) prices will be reduced to 30% mark-up across the board, including older vintages. The limited pre-mixed list of classic Duke's cocktails will be also offered in 12oz sealed glass containers. These will be available for pick up on Butchery shelves or included with your take-out order. We encourage everyone to include gratuity as all the funds will go to our wait staff relief fund.

For your convenience, Truffles Restaurant will expand its hours of operation to 11AM to 8PM, seven days per week and our servers and management staff will be available answering phone calls, taking orders and sharing all the information needed during this time.

Butchery, Truffles Meat Market will continue to operate as usual.

**WE ARE FULLY STOCKED.**

We have also increased the production on all daily meals, sandwich offerings, fresh produce and hand cut prime meats. Butchery of course also offers, liquor, wine, spices, artisan breads, and much more...even toilet paper if needed.

Thank you so much for continuing support during these strange times.

Stay safe and we hope to see you soon, even if through the car window 😊

Kindest regards,

**Aleksandar Jovanovic**
